MANAGEMENT CONTROL SYSTEMS: EUROPEAN EDITION ...

The system's design is about the structure of your management control system. The system's performance is an indicator of the process of your management control system. The other key thing to realize about the characteristics of MCSs is about two separate natures the system has. MCS essentially has an informal and a formal control system.

The word control in an organizational context has traditionally been used interchangeably with financial control. It is very closely associated with terms such as budgets, variances, and audits, and in a broader sense, with rigidity, bureaucracy, imposed by management, and preserving the status quo. In this view, the emphasis is on controlling the numbers with a top-down orientation to management
