Managing Change: A Strategic Approach to Organizational Dynamics, 5th Edition. Bernard Burnes. Managing Change examines the concept and practice of change within the context of the history, literature and theories of management. In particular, it links the process of change to the strategic development, management and leadership of organisations. The reader is encouraged to reflect critically on areas such as post-modernism, realism and complexity theory, and explores in depth the influence ...

MANAGING CHANGE - GBV

Managing change is not easy (Burnes, 2009)." Planned change management allows managers and practitioners to incorporate specific tasks and events into each stage of the change process. The concept explores how to face highly dynamic and complex environments and how to make the most of an organisational change.
