In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books

TL Swan has an easy writing style - and does not disappoint with her newest tale Marx Girl.

Warning Ideally, read the Stanton Box Series, then Marx Girl, then Dr Stanton. Swan does an incredible job weaving Bridget and Ben's story into the "Stanton World" (trust me you just need to read them all to understand what i mean).
