On Aging Revolt And Resignation

On Aging was his second book, written when he was 55. Originally a series of radio lectures, it consists of five pieces on the depredations age brings to the human body, mind, and spirit. Fiercely determined not to grow old, the author assumes an attitude that, as the subtitle suggests, is one of both resistance and resignation to the inevitable.

experience: that of aging. Equating torture with aging may seem shocking to some, and Améry was critiqued for suggesting such a parallel, particularly since he narrates a lived experience with the latter at the mere age of fifty-five. He revisits this critique in the preface to the fourth edition of On Aging: Revolt and Resignation where he states:

Anticipatory Imagination in Aging: Revolt and Resignation in Modern Day France “Rien n’arrive ni comme on l’espère, ni comme on le craint. Nothing really happens as we hope it will, nor as we fear it will.” 1 Améry appropriates this quote of Proust to highlight how our imaginative powers can never approach its reality during an extreme event.
